**Frenzy** : A player with this skill is a slaving psychopath who attacks his opponents in an uncontrollable rage. Unless otherwise overridden, this skill must always be used. When making a block, a player with this skill must always follow up if he can. If a 'Pushed' or 'Defender Stumbles' result was chosen, the player must immediately throw a second block against the same opponent so long as they are both still standing and adjacent. If possible, the player must also follow up this second block. If the frenzied player is performing a Blitz Action then he must pay a square of Movement and must make the second block unless he has no further normal movement and cannot Go For It again.

**Wrestle** : The player is specially trained in grappling techniques. This player may use Wrestle when he blocks or is blocked and a 'Both Down' result on the Block dice is chosen by either coach. Instead of applying the 'Both Down' result, both players are wrestled to the ground. Both players are Placed Prone in their respective squares even if one or both have the Block skill. Do not make Armour rolls for either player. Use of this skill does not cause a turnover unless the active player was holding the ball.

**Dump-Off** : This skill allows the player to make a Quick Pass when an opponent declares that he will throw a block at him, allowing the player to get rid of the ball before he is hit. Work out the Dump-Off pass before the opponent makes his block. The normal throwing rules apply, except that neither team's turn ends as a result of the throw, whatever it may be. After the throw is worked out your opponent completes the block, and then carries on with his turn. Dump-Off may not be used on the second block from an opponent with the Frenzy skill or in conjunction with the Bombardier or Throw Team-Mate skills.

**Dodge** : A player with the Dodge skill is adept at slipping away from opponents, and is allowed to re-roll the D6 if he fails to dodge out of any of an opposing player's tackle zones. However, the player may only re-roll one failed Dodge roll per turn. In addition, the Dodge skill, if used, affects the results rolled on the Block dice, as explained in the Blocking rules (see page 10.)

**Jump Up** : A player with this skill is able to quickly get back into the game. If the player declares any Action other than a Block Action he may stand up for free without paying the three squares of movement. The player may also declare a Block Action while Prone which requires an Agility roll with a +2 modifier to see if he can complete the Action. A successful roll means the player can stand up for free and block an adjacent opponent. A failed roll means the Block Action is wasted and the player may not stand up.

**Block** : A player with the Block skill is proficient at knocking opponents down. The Block skill, if used, affects the results rolled with the Block dice, as explained in the Blocking rules.
